

On August 21, 2015, Arizona Water Company filed an application with the Arizona Corporation Commission for the approval of permanent adjustments to the rates and charges for water service provided by the Company's Western Group of water systems. Based on the rates authorized in Decision No. 75741 on September 19, 2016, a monthly bill for the residential customer in the <u>Aio</u> system with a $\frac{5}{3}$ " meter and average usage of 3,991 gallons per month will increase from \$40.98 to \$47.05, an increase of \$6.07 per month or 14.8 percent. The new rates will be effective on and after October 1, 2016, for Arizona Water Company's <u>Ajo</u> system.
