On August 21, 2015, Arizona Water Company filed an application with the Arizona Corporation Commission for the approval of permanent adjustments to the rates and charges for water service provided by the Company's Western Group of water systems. Based on the rates authorized in Decision No. 75741 on September 19, 2016, a monthly bill for the residential customer in the Pinal Valley (Casa Grande, Coolidge and Stanfield) system with a $5 / 8^{\prime \prime} \times 3 / 4 \prime$ meter and average usage of 7,781 gallons per month will increase from $\$ 29.62$ to $\$ 36.76$, an increase of $\$ 7.14$ per month or 24.1 percent. The new rates will be effective on and after October 1, 2016, for Arizona Water Company's Pinal Valley (Casa Grande, Coolidge and Stanfield) system.
