

## Arizona Water Company Toilet Rebate Program: Landlord and Tenant Participation Agreement

In June 2024, Arizona Water Company launched a Single-Family Residential High-Efficiency Toilet Rebate program that incentivizes upgrading inefficient toilets to efficient Environmental Protection Agency (EPA) WaterSense-labeled toilets to conserve water. This program is intended for single-family residential properties within Arizona Water Company's service areas that are privately maintained and have a dedicated water meter. This program's Universal Terms and Conditions are attached at the end of this document for reference.

This document serves as proof of landlord permission for the tenant at the property identified below to replace a toilet at the property. For a tenant to receive a rebate, Arizona Water Company requires a property owner's signature before a tenant replaces a toilet at a leased property. Tenants must provide this completed and signed document along with their application.

Service Address: \_\_\_\_\_

Name on the Arizona Water Company Account (Printed): \_\_\_\_\_

Account Number: \_\_\_\_\_

Tenant Name (Printed): \_\_\_\_\_

Tenant Signature: \_\_\_\_\_

I, \_\_\_\_\_ (landlord), on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, give permission to  
\_\_\_\_\_ (tenant) to replace a toilet at \_\_\_\_\_

(property address) and apply for the Single-Family Residential High-Efficiency Toilet Rebate  
program provided by Arizona Water Company. I acknowledge that the rebate payment will be in the  
tenant/applicant's name rather than the landlord's.
