ARIZONA WATER COMPANY

WATER SERVICE INFORMATION REQUEST RESIDENTIAL (LESS THAN 5 PARCELS)

Note:

1. Upon receipt of a complete Water Service Information Request with required documentation, Arizona Water Company will provide a formal response to your request. Please allow up to 45 business days to complete the Water Service Information Request prior to contacting the Company.
2. The Company will determine the method of service and provide a preliminary cost estimate to serve the property based on the information you provide.
3. The method of service determinations and preliminary cost estimates are preliminary in nature and may not represent actual costs of method of service. Please be advised that the actual cost of establishing service to your property can only be determined upon receiving an application for service, payment of all required deposits and fees and receipt of bids from contractors.
4. If the property is split in a manner different than that indicated on the Water Service Information Request form, the method of service and preliminary cost estimate may need to be revised.
5. Please be advised that the actual cost of establishing service to your property can only be determined upon receiving an application for service, payment of all required deposits and fees and receipt of bids from contractors.
6. Water service to your property may require easements, conditional water service agreement, or backflow prevention devices.
7. For all inquiries, please email developmentservices@azwater.com , include your contact information, property information, and the reason for you

By signing below you certify to the best of your knowledge that the information provided by you is true and accurate.
